BREEDING CONTRACT

An agreement is made this date _____ by and between (name) _____

address _____
hereinafter 'Mare Owner' with Debra Hackney hereinafter 'Stallion Owner' with reference to the following facts:

Mare registered name: _____ Breed: _____

Registration Number: _____ Age: _____
This stallion, 'Uptown Chex,' AQHA 3162573, ABRA T-9735, NFQHA F00611 and FQHR 5042 foaled April 21, 1993 will stand at stud during the _____ breeding season.

The breeding fee is $_____ with a live foal guarantee (one that stands and nurses without assistance).

Upon arrival, the mare shall have been examined by a licensed veterinarian and has a negative uterine culture. Mare owner agrees to allow a veterinarian to perform services as becomes necessary or proper for the mare and/or foal at the mare owners expense and shall be paid prior to removing mare from breeding premises.

All reasonable efforts will be made by the stallion owner to provide visiting mares and foals with proper care for the health and safety, however the stallion owner shall not be liable for any loss, sickness, disease, injury or death suffered during the time the mare and/or foal are in the custody of the stallion owner. Mare owner fully understands that all risks are to be borne by the mare owner.

Stallion owner agrees to try to settle your mare, however, if you mare fails to conceive for any reason, mare owner will hold stallion owner blameless. Mare owner agrees to give stallion owner ample opportunity to settle your mare. The breeding season for the stallion begins February 15 and closes July 1 at which time all breeding will end unless other arrangements have been made.

None of the aforementioned fees are refundable. Stallion owner does guarantee a return breeding during the _____ season should a live foal not result from this mating. Death of foal before qualification as a live foal must be certified in writing by a veterinarian within 3 days of such death.

A copy of the mare registration certificate must be furnished to the stallion owner upon her arrival and she will have her hind shoes removed. It is understood that mares which are sick, diseased or in poor health will not be accepted.

Mare owner agrees to pay all board and care changes prior to the mare leaving the premises. Mare owner understands that mare care, shipping fees and veterinarian charges are not included in the breeding fee or live foal guarantee. The charges are as follows:

$____ per day for mare $____ per day for mare with foal at site

This contract voids all previous breeding contracts, verbal or written. This contract is not transferable.
